SERVICES WE OFFER

From the conveyance of abnormal/OOG cargo to detailed Project Management, our disciplined hands on approach and industry knowledge sets us ahead of our peers.

Before rendering our services we spend some time with you to understand your business needs and challenges. We jointly strategise a workable solution that includes risk analysis of shipments, permit applications through any and all provinces, as well as police escort facilitation where necessary. Once the latter is done we then operationalise your project through a series of short yet concise project management plans so that we can adequately manage both expected and unexpected incidents, end to end. Here is list of what we do:

1. Conveyance of abnormal/OOG cargo
2. Conveyance of containerised cargo
3. Storage
4. Solas weighing
5. Crane Hire
6. Packing of containers
7. Lashing of cargo
8. Load mastering
9. Project Management

OUR End to End Approach
